President's Corner

At our recent open community meeting, about forty Kenwood Park neighbors had lively discussions, among other subjects about our neighborhood's future including the security patrol, and our interactions with the county government as well as the future of the website.

As of the mailing of this edition of the KPCA News, we are negotiating with a patrol company that we members of the board believe will provide the kind of service that we had up until three years ago. Complete agreement on the contract has been secured, and we are in discussion on the start date, which we know to be imminent, but is not precisely fixed at this writing. Once we have the new service in place, the information for Kenwood Park will be sent out in three ways: from an email to the list-serve, from letters sent to the patrol supporters, and from the next edition of the KPCA News. We want to see how well the company works out.

The results of the election held at the community meeting will be found below.

Also in this copy of the News is an announcement for our midmorning 4th of July celebration that has been organized by Katherine Kerxton and Elizabeth Haile. It promises to be great fun for all, and we expect that this year the fire truck will not have to go out on a call and that we will have electricity in Kenwood Park.

Finally, let me mention that the next president's message will come from Krishna Collie, our newly elected Kenwood Park president. The email address of the president has been slightly modified, (see the masthead), and, of course, the phone number on the masthead will change to Krishna's number.

Have a great summer, and come to the parade on the 4th.

Board Decision on Next Fiscal Year Dues

The Board has determined that dues for the coming fiscal year, July 1, 2014 to June 30, 2015, will be \$295 for Security membership and \$85 for social membership. This is a reduction of dues for the present period which were \$338 and \$100. A membership application in this issue reflects the new dues schedule.

The membership dues cover the cost of this Newsletter, club mailings, the Pot Luck dinners, the Halloween Party, and the Fourth of July Parade. The new security company, Urban Alarm, will have the same duties as the old security patrol.

KENWOOD PARK INDEPENDENCE DAY PARADE AND CELEBRATION

Mark your calendars for the 4th Annual Kenwood Park Independence Day parade and celebration on Friday, July 4, 2014, 10am - 12 noon! Come out and join the celebration and meet some new neighbors! We will kick-off the celebration by getting ready for the parade at 10 a.m. - decorations will be provided for kids to decorate their bikes, trikes, wagons and strollers. Pooches welcome. Our local volunteer fire department truck will lead the kids in a parade beginning at Millwood Court at 10:30 a.m. Following the parade, we will have popsicles, donuts, drinks, crafts, give-aways and games for the kids.

The location of the festivities will be on Millwood Court, off Millwood Road, between Plainview and Durbin Roads. For those who aren't joining the parade, step on outside and cheer on the the bikers and trikers as they pass by!

Another great way to get to know your neighbors is by volunteering for this event. We are especially looking for neighbors who are willing to help set up, clean-up, or to place flags or signs out the day before. If you can help, please contact Katherine Kerxton at kkerxton@gmail.com or Elizabeth Haile at elizabeth_haile@hotmail.com.

Kenwood Park Real Estate Update – June 2014

The lack of housing inventory continues to plague the residential real estate environment in the close-in Metro area. Although there are more homes on the market now than there were this time last year, the numbers are still far below a balanced level. Prices have increased over last year and we are now slightly above the high numbers just before the recession, however they now appear to be stabilizing. Predictions are that they will increase by a modest 1% over the next year.

The tried and true real estate advice continues to hold. Homes that are priced realistically and that show well will sell in relatively short order. They may see multiple offers. But even slightly overpriced homes will take longer to sell, may need a price reduction and in the end will often sell for less than they would have if priced properly in the beginning. There is an expression in the real estate industry that is frequently spoken to sellers. It is that “time is not your friend”.

When the inventory of turn-key homes and buildable lots is low, the buyers and builders will try to convince owners, especially those who have been in their homes for decades, that selling it to them, off the open market, is advantageous to the owner. Since they are not bidding against anyone, the buyers often offer less than the market might

bear, particularly if there might have been multiple offers. So the seller will net less in proceeds that had the property been on the open market. And when homes sell quickly, as they do now, the inconvenience of having a home on the market is minimal.

Kenwood Park is reflective of all of the above. Since March seven homes have gone on the market in our neighborhood. One of those sold, 4 are under contract, one is still for sale and one just went on the market June 24. Of those that sold and are under contract, they were on the market anywhere from 8 to 25 days before they had a ratified contract. The message to sellers from this should be that if they haven't got a ratified contract in a month something is not right. Either the price or condition – or both – needs attention.

As of this moment, three homes are for rent in the mid \$4000s. And three are for sale: One at \$1,488,000, one at \$2,095,000 and one at \$2,299,000.

Please Contact: sinalymroy@gmail.com or 301-229-3459 to be included in our email list and make sure you are updated on all our events.

Email Notifications

The KPCA is now sending out neighborhood information by email about four times a year and also if there is a warning needed about safety issues in the neighborhood. These include if a theft occurs, the presence of aggressive solicitations being made house to house, and if a child has been made uncomfortable by interaction with a stranger in the area.

Since all our neighbors do not have email or are not registered, we ask that the safety information be relayed by those who do receive the messages to their unconnected neighbors. If you wish to join in and have these messages delivered to you, we will encourage you to join our website.

Letter from Bethesda District Montgomery County Police Commander to KPCA Newsletter

As commander of the 2nd District, I find that working in partnership with the communities we serve is essential to successful law enforcement. As police resources are limited, it is critical that the community be our “eyes” and “ears” and calls us immediately when suspicious behavior, persons and vehicles are observed. Neighborhood Watch programs and roving private security patrols are excellent deterrents to crime and their efforts are appreciated by our officers. We are always willing provide training and awareness for these groups. Together, we hope to reduce crime and the fear of crime.
